

# Sample of proper State License Endorsement documents:

Endorsement(s) of state licensure from each licensure state should be completed no more than 30 days before completing the licensing application.

Endorsement documents from the licensure state’s website(s) can be obtained and saved to your computer and then uploaded when instructed to do so as you are completing the endorsement licensing application, uploaded in the **Application Status** or sent directly to the board office, [info@ndmirtboard.com](mailto:info@ndmirtboard.com).

You may take a screenshot of the licensing state’s page or print (CTRL P), but it must be taken within 30 days of the submission, and none of the pertinent information should be missing or clipped from the image. **\*Please be sure not to crop the name of the licensing state, date verified, and information required as the examples below indicate.**
